

Your success is guaranteed!
Simply earn 6000 points each week.
Let the blue icons lead you on your journey.

neo Study Tips

neo's 5-step learning method and parallel study design speed you toward your target. The blue buttons are your guide. Click on them to earn points and begin to master English.

Try to study at least a little most days. Aim for 6000 points each week.

This will take about 3 hours total in a week.

Avoid studying more than 30-40 minutes at a time without a break.

neo Home Screen

5-Step Study

① Preview to get an overview

Preview screen

Comprehension Check screen

See how much you can understand the first time.

Answer correctly to earn points.

If you make a mistake, you'll have a second chance, but you'll earn fewer points.

5-Step Study

2 Repeat to improve listening comprehension

Repeat button

Text button

Repeat screen

Listen again and again until you can understand every sentence and all the details.
After repeating a sentence twice, the **Text button** will appear.

5-Step Study

③ Record to help you speak with good pronunciation

Repeat button

Text button

Record/Playback button

Record screen

Record each sentence to get as close to the native speaker's voice as you can. The system will automatically compare your pronunciation with the original one. Do you and the speaker sound the same?

5-Step Study

④ Speak to improve your speaking fluency

Speech Recognition screen

For this step, make sure you are in a quiet place!
Speak clearly and carefully, without hesitation.
You will get more points if every word is recognized the first time.

5-Step Study

5 Review to reinforce everything you have learned

Repeat button

Speech Recognition microphone

Review screen

For this step, make sure you are in a quiet place!

Lesson Summary Screen

If your accuracy rate is <80% in any lesson, or <50% for Speech recognition lessons, you'll have to repeat the lesson from the beginning.

Other Types of Lessons

Beyond the core presentation lessons, neo includes many different types of exercise lessons. These provide additional practice in grammar, vocabulary, dictation, and forming questions, to help you master English.
